CENSUS OF IRELAND, 1911.

COUNTY AND CITY OF LIMERICK.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in previous Censuses, and give the following Summary of the results obtained respecting the County (Administrative) and City of Limerick from the Census Returns of 1911.

SUMMARY.

Area.—The County (Administrative) and City of Limerick covers an area of 680,898 statute acres, or 3·3 per cent. of the total area of the country.

Population (Table II.).—The number of persons in the County and City of Limerick according to the Census of 1901 was 146,098; and according to the recent Census, 143,069 (72,229 Males and 70,840 Females), or 2·07 per cent. less than in 1901.

County Districts (Table VI.).—The following Statement shows, by County Districts (as constituted under the Local Government (Ireland) Act, 1898), the number of persons in 1901 and 1911, and the increase or decrease during the decade:—

County Districts.	Population.		Increase or Decrease between 1901 and 1911.		
	1901.	1911.	Number.		Rate per cent.
			Increase.	Decrease.	
Croom Rural	10,806	10,372	–	434	4·0
Glin Rural*	4,301	4,016	–	285	6·6
Kilmallock Rural†	21,430	20,806	–	624	2·9
Limerick No. 1 Rural ..	20,271	20,257	–	14	0·1
Mitchelstown No. 2 Rural ..	5,501	5,045	–	456	8·3
Newcastle Rural	23,891	23,594	–	297	1·2
Rathkeale Rural	14,991	13,863	–	1,128	7·5
Tipperary No 2 Rural ..	6,756	6,598	–	158	2·3
Total of County	107,947	104,551	–	3,396	3·1
Limerick City	38,151	38,518	367	–	1·0
Total of County and City ..	146,098	143,069	–	3,029	2·1

* Formerly Listowel No. 2. †Formerly Kilmallock No. 1.

From the foregoing Statement, it will be observed that there was an increase of 1·0 per cent. in Limerick City; but there was a decrease in each of the County Districts, ranging from 8·3 per cent. in Mitchelstown No. 2 Rural and 7·5 per cent. in Rathkeale Rural, to 0·1 per cent. in Limerick No. 1 Rural, and 1·2 per cent. in Newcastle Rural.

Families and Houses (Table VIII.).—The number of distinct Families in the County and City at the time of the late enumeration was 28,638, the average number of persons in a family being thus 4·8. The number of Inhabited Houses was 26,747, showing an average of 5·2 persons to each house. In calculating these averages the Special Inmates of Public Institutions have been omitted.

Occupiers of less than 5 Rooms (Tables IX., X.).—The number of Occupiers (or Heads of Families) in occupation of less than five rooms in 1911 was 20,378, or 71·2 per cent. of the total number of Families in the County and City, and of these 14 were occupiers of part of a room only; 2,001 or 7·0 per cent. of the total number of Families in the County were occupiers of one room; 5,771, or 20·2 per cent., occupiers of two rooms; 6,357, or 22·2 per cent., occupiers of three rooms; and 6,235, or 21·8 per cent., occupiers of four rooms.

The number of Tenements of One Room in the County and City was 2,008, comprising 582 cases in which the room had only one occupant; 1,005 where the room had 2, 3, or 4 occupants; 346 cases in which there were 5, 6, or 7 occupants; and 75 cases where the occupants exceeded 7 in number, including 10 cases of 10 persons, 5 cases of 11 persons, and 2 of 12 or more persons in the room.

Civic Areas.—Towns having, in 1911, a population of 2,000 and upwards, are classified as Civic Areas. The County contains 2 such Areas, viz., Limerick and Newcastle. In 1901 the population of these Areas amounted to 40,750. In 1911 it was 41,103, showing an increase of 353 persons, or 0·9 per cent.; but in the remainder of the County there was a decrease of 3·2 per cent.

Pauperism (Table XII.).—The number of persons returned in 1901 as receiving relief under the Poor Law System was 6,277, or one in every 23 of the population; of this number 2,425 were inmates of Workhouses, and 3,852 were in receipt of Outdoor Relief. In 1911 the number returned was 4,045 or one in every 35 of the population; 2,063 of these being in the Workhouses, and 1,982 on Outdoor Relief, which figure includes 112 children Boarded-out.

The Sick (Table XII.).—In 1901 the number of persons in the County and City of Limerick returned as Sick, on the night of the Census, was 1,435, or one in every 102 of the population. In 1911 the number so returned was 1,279, or one in every 112 of the population; of the latter number 313 were at their own homes, and 966 were in hospital.

Marriages, Births, and Deaths (Table XIV.).—For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the Poor under the Medical Charities Act; these Dispensary Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of District Electoral Divisions.

According to the returns of the Registrar-General, the number of Marriages registered in the County and City of Limerick during the ten years ending 31st March, 1911, was 7,478, equal to an average annual rate of 5·2 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 5·1 per 1,000.

The number of Births registered in the County and City during the ten years was 34,146, affording an average annual rate of 23·6 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·1 per 1,000.

The Deaths registered during the decennium amounted to 25,128, being equal to an average annual rate of 17·4 per 1,000; the corresponding rate for the whole of Ireland was 17·3 per 1,000.

Birthplaces of the Inhabitants (Table XXV.).—Of the persons enumerated in the County in 1911, 90·1 per cent. were born in the County or City; 7·3 per cent. in other Counties of the Province of Munster; 0·9 per cent. in Leinster; 0·2 per cent. in Ulster; 0·3 per cent. in Connaught; 0·7 per cent. in Great Britain; and 0·5 per cent. were born abroad.

Of the persons enumerated in the City of Limerick in 1911, 78·3 per cent. were born in the County or City of Limerick; 11·2 per cent. in other Counties of the Province of Munster; 3·3 per cent. in Leinster; 0·8 per cent. in Ulster; 1·1 per cent. in Connaught; 4·4 per cent. in Great Britain; and 0·9 per cent. were born abroad.

Religious Professions (Table XXIX.).—The following Statement shows, according to Religious Professions, the Inhabitants of the County and City of Limerick in 1911:—

Religious Professions.	County of Limerick.		City of Limerick.	
	Number of Persons.	Per-centage of Total Population.	Number of Persons.	Per-centage of Total Population.
Roman Catholics	101,502	97·1	34,865	90·5
Protestant Episcopalians ..	2,550	2·4	2,316	6·0
Presbyterians	136	0·1	847	2·2
Methodists	273	0·3	213	0·6
All other Denominations (and Religion unascertained) ..	72	0·1	266	0·7
Information Refused ..	18	0·0	11	0·0
Total	104,551	100·	38,518	100·

From the above Table it will be seen that of the total population of the County in 1911, 97·1 per cent. were Roman Catholics; 2·4 per cent. Protestant Episcopalians; 0·1 per cent. Presbyterians; and 0·3 per cent. Methodists. In 1901 Roman Catholics formed 97·0 per cent.; Protestant Episcopalians, 2·5 per cent.; Presbyterians, 0·1 per cent.; and Methodists, 0·3 per cent. of the population of the County.

In the City of Limerick, according to the present Census, 90·5 per cent. of the population were Roman Catholics; 6·0 per cent. Protestant Episcopalians; 2·2 per cent. Presbyterians; and 0·6 per cent. were Methodists. In 1901, Roman Catholics formed 89·1 per cent. of the population; Protestant Episcopalians, 8·0 per cent.; Presbyterians, 0·8 per cent.; and Methodists, 1·1 per cent. of the population of the City.

Education (Tables XXX. and XXXIII.).—In reckoning the number of illiterates the age of 9 years has now been substituted for the age of 5 which was formerly adopted.

On this basis the details of population, aged 9 years and upwards, for the County and City, are:—

——	County of Limerick.		City of Limerick.	
	Population, 9 years and upwards.			
	Numbers.	Proportion per cent.	Numbers.	Proportion per cent.
Read and write, ..	77,999	90·7	28,256	90·3
Read only, ..	1,753	2·0	827	2·6
Illiterate, ..	6,282	7·3	2,218	7·1
Total, ..	86,034	100·	31,301	100·

For comparative purposes the figures for those between the ages of 5 and 9, who can read and write, are shown in Table XXX.

It is satisfactory to note that had the earlier age of five been taken as the starting point on this occasion, as in former years, it would have appeared that the per-centage for the County and City of those unable to read or write, which was 16·3 in 1891, and 11·6 in 1901, had fallen to 10·1 in 1911.

Irish Speaking Population (Tables XXXVI. and XXXVII.).—The number of persons in the County and City of Limerick returned as being able to speak the Irish Language in 1911 was 13,533, representing 9·5 per cent. of the total population.

Table (XXXVI.) gives for the first time, by District Electoral Divisions, the information available regarding the Irish-speaking portion of the population; while Table XXXVII. shows, by County Districts, the numbers in 1911, as compared with those returned in 1901.

School Attendance (Table XXXVIII.).—The number of pupils attending school in the County and City of Limerick, according to the Census of 1901 (week ending 11th May), was 24,777. In 1911 the number returned (for week ending 13th May), was 24,688.

Emigration (Table XLI.).—The number of Emigrants during the ten years ending 31st March, 1911, who stated that they were from the County and City of Limerick, amounted to 11,278 (5,746 males, and 5,532 females); the number for the decade ending 31st March, 1901, was 14,426; for that ending with March, 1891, 33,081; for that ending with March, 1881, 22,132; for that ending with March, 1871, 46,339, and for that ending with March, 1861, 62,173, making a total of 189,429 for the sixty years.

(*a*) The town of Pallas Grean stands on the townlands of Pallas, Pallashill, and Sunglen, in which its area and valuation are included; it has an estimated area of 10 acres. Some houses now returned in Pallas townland were included in the town in 1901.

(*b*) New Pallas Town stands on the townlands of Dromlara, Garrane Beg, and Garrane More, in which its area and valuation are included; it was not previously returned separately.

(*c*) The town of Nicker stands on the townland of the same name, in which its area and valuation are included; it has an estimated area of 6 acres.

(*d*) The town of Oola stands on the townlands of Moanahila and Oolahills, West, in which its area and valuation are included; it has an estimated area of 24 acres. The enumerator reports that some houses which were, in 1901, included in the town are now shown in Oolahills, West, townland, to which they properly belong.

* Included with portion of townland in adjoining parish.

TABLE VII.—*continued.*—AREA, HOUSES, OUT-OFFICES, and FARM STEADINGS, and POPULATION, together with the Valuation of each *POOR LAW UNION* (or SUPERINTENDENT REGISTRAR'S DISTRICT), *DISPENSARY* (or REGISTRAR'S) *DISTRICT, DISTRICT ELECTORAL DIVISION, TOWNLAND, &c.*, in the County and City of LIMERICK in 1911.

(a.) The Civic Areas comprise all Municipal Boroughs, Urban Districts, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, Its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows, and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, *i.e.*, their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second what might be considered a good farm house, having from five to nine rooms and windows; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.

Second Class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses, occupied by two or three families.

Third Class accommodation comprising 3rd class houses, with one family each, or 2nd class houses, with two or three families, or 1st class houses occupied by four or five families.

Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

TABLE IX.—Showing the total number of OCCUPIERS (or HEADS of FAMILIES) in occupation of less than Five Rooms in the City (or County Borough) of LIMERICK, and in each *COUNTY DISTRICT* in the County of LIMERICK, in 1911.
